```

The diagram illustrates a shared resource architecture. At the top, there are two separate boxes, each labeled 'QShared'. Below these, a single box labeled 'QFontEngineData' is connected to both 'QShared' boxes. A horizontal line with upward-pointing arrows at both ends connects the two 'QShared' boxes. A vertical line descends from the center of this horizontal line to the top of the 'QFontEngineData' box, indicating that the 'QFontEngineData' object is shared between the two 'QShared' objects.
